

Weekly Newsletter

Dear Parents

Projects

This week the children have been rehearsing for the concert. We have also started to discuss the transition to school for the leaving children. This process will continue next week.

Summer Concert

We look forward to seeing you all tomorrow in fine voice. All children should be brought to school as usual except for afternoon children who should arrive at 10.30. The doors will open just before 11am and the concert will start at 11am.

Please note: All mobile phones and younger sibling voices to be turned off during the performances. Thank you.

Afternoon Sessions next term

Could anyone wishing to book afternoon sessions for next term, please sign up as soon as possible. Places are limited and we would like to finalise numbers at the end of this term.

Children who are moving on to Pre-Kindergarten at Broomfield in September are very welcome to sign up for afternoons at Kew Montessori. The children will need to bring a packed lunch and will be walked from Broomfield to St Luke's on their chosen days.

Nut Allergy

As you will be aware, Kew Montessori aims to be a nut free school. It is particularly important at present that we adhere to this strictly as we do have a severe nut allergy sufferer at school. Please could you ensure that you look carefully at the ingredients of any food brought to school and, if in doubt, either please leave it out or check with Susan. We appreciate your co-operation with this.

Sun Safety

Please can you apply protective sunscreen before bringing your child to school and supply a sunhat for outdoor activities. We will ensure that the children are not exposed to sunshine for an extended period of time and therefore a reapplication of sunscreen will not be necessary.

Summer School

Summer School will take place from 12-30th July inclusive at Broomfield. Please sign up – siblings are welcome. For further details, please ask Aimee or Susan.

London 10k run

As you may know, some brave teachers and parents will be running the London 10k in support of REACT. This charity works to improve the quality of life for financially disadvantaged children with life-limiting illnesses living in the UK. Their work is unrivalled by any other organisation and their passion and belief that every child should have comfort, dignity, and the opportunity to participate in life as fully as possible is their driving force.

Please, please dig deep and support this very worthwhile charity – you can donate at our justgiving page:

www.justgiving.com/KewMontessori.

School finishes on Thursday, 8 July at 12.15pm and, weather dependent, you are all invited to join us in Kew Gardens for a school picnic. Term begins again on Wednesday, 8 September.

With best wishes
Susan and the Team

The Kew Montessori School Policies folder is available at school for parents to inspect. Please ask Susan if you wish to consult it.
We would like to remind parents that Kew Montessori is a NUT FREE SCHOOL—please remember this when bringing food for your children into school.
