Dear Parents

Projects

We watched with interest the growth changes in our tadpoles and then bid them farewell as we returned them back to nature. Our seeds have germinated and we will shortly be planting them out in the school garden. Next week we will celebrate spring so hopefully we will be blessed with fine, clear days. If you have any blossoms or spring related objects, please bring them in for the children to enjoy.

Keyworker Meetings

Please ensure that you have signed up for the keyworker meetings:

Susan, Alyson, Aimee – on 15 March

Shamila, Minoli, Alena – on 16 March

Check on the keyworker/children list if you are not sure who your child's keyworker is.

Book Sale – amended date

To continue our World Book Day celebrations, we will be holding a book sale on **Thursday, 11 March** at school drop off. Kew Bookstore will be providing the books and a local author, Preston Rutt, will be reading a story to the children.

International Day

Our celebration of diversity will be held on Wednesday, 31 March. This day links to our Continents Project which will commence the week beginning 15 March and we would like to encourage you and your child to help us discover about your country of origin and have the opportunity to learn about different cultures.

We invite parents to attend our International Celebrations which will commence at 11.45am on 31 March where we look forward to sharing music, dance and food with you. Please could you provide a small dish of international food for all to sample and bring a picnic lunch and blankets (for you and your child) so that we can all sit down to lunch together.

School will finish at 13.00 on this day.
